★ Member's Hunt For Old Vehicle Parts ★

March 2025 - Dave W. & Linda visited a really interesting place, **Desert Valley Auto Parts**

in Phoenix & Casa Grande, Arizona. The office staff were nice and very helpful. There are acres of classic vehicles and we were directed to the exact location of the vehicle we wanted to look at for parts. It's like a candy store, but of old vehicles and parts.

Yay! Found the parts!
